# Visitor Testimonials

## Compressor branch of Jiangsu Machinery Industry Association Mr.Qin

Our association organized visitor delegation to ComVAC ASIA again this year, through the visit, we met colleagues of the industry, expanded our knowledge and obtained industry trends and development directions. ComVAC ASIA is an indispensable platform for compressor and vacuum industry, it brought new concept and innovations to the industry suppliers and end users.

We appreciate the thoughtful service and close follow up we received, and on behalf of Jiangsu Compressor Industry Association, I would like to thank the organizer for their efforts, and we are looking forward to working further with the organizer in the future.

## Hitachi (China) Ltd. Mr.Zhang

We were glad to be invited to ComVAC ASIA and be part of the "Enjoy the Meeting" program. The visiting experience was comfortable and efficient. Recently our group has plan to expand our Chinese suppliers, we sought the motor and ventilation suppliers in ComVAC ASIA. The meeting arrangement provided by the organizer helped us to find suitable and qualified suppliers efficiently, and we received warm reception. The meeting with Ningbo Lionball was very fruitful, it was a memorable experience. We are looking forward to the next show and wish the show all the best!

## Carrier Air-Conditioning & Refrigeration Shanghai R&D Center Mr.Wu

Our purpose of visiting ComVAC ASIA was to seek for compressor components and compressor components OEM. Generally we achieved our goals, established contacts and exchanged information with suitable suppliers. We would like to thank the organizer - Hannover Milano Fairs for their efforts to put together this big scale show under the COVID-19 pandemic circumstance.

# Visitor Testimonials

## **BAUER KOMPRESSOREN Shanghai Ltd** **Industry Sales Manager Liang Gangzhu**

It was beyond our expectation that ComVAC ASIA this year maintained its visitor quality and quantity under the influence of COVID-19 pandemic, we believe the great result was come from the efforts of the organizer's thoughtfulness and professionalism. During the 4-day communication with the industry peers, we found, innovation, honesty and steady growth become the common focus of the industry. We believe it's a very good transformation, and it will bring a healthy and dynamic growth to the industry. We cherish the sound progress of the economy recovery and we are willing to create a win-win situation with our clients in the future.

## **SHANGHAI SCREW COMPRESSOR CO.,LTD** **General Manager Sun Huo Long**

Under the new normal of pandemic prevention, the success of ComVAC ASIA proved the fast recovery of the compressor and vacuum industry. The show provided a communication platform for the suppliers and end users, and it also promoted the sound development of the industry. In 2020, Shanghai Screw Compressor Co., Ltd. forged ahead with technology innovation and key technology R&D, and had successfully developed three new products: Maglev centrifuge compressor, Air foil bearing blower, PM inverter screw vacuum pump with new energy saving solution, the newly developed products and solutions were brought to showcase on ComVAC ASIA were well acclaimed by the clients, we were satisfied that we enhanced our brand through the exhibition. We would like to thank the organizer for the high quality services and we enjoyed our participating experience. We look forward to further cooperation with the show and the organizer.

## **Ningbo Baosi Energy Equipment Co., Ltd.** **Special Compressor Operation Center Marketing Director Zhang Yun**

The success of ComVAC ASIA this year was a solid prove of the fast recovery of Chinese economy post the COVID-19 pandemic. Under the themes of "Intelligent Manufacturing", "Energy Saving and High Efficiency", "Environment Friendly Technology", this year BaoSi showcased our high quality two stage medium pressure screw compressor, BSG oil-free screw blower, OSV screw vacuum pump and BGC energy saving oil-free screw compressor for the first time at ComVAC ASIA. The "star products" received high appraisals from the industry peer. Although ComVAC ASIA 2020 was successfully concluded, BaoSi will continue our efforts on intelligent manufacturing and product innovation. We look forward to exhibiting at ComVAC ASIA 2021 with our new products, new technologies and new solutions.

# New Media Promotion - WeChat

■ The accumulation of WeChat followers soars up along the years

Every week, the organizer releases industry news or exhibitor updates through WeChat channel. Close to the show opening, the organizer arranges pre-show warming up activities eg., lucky draw, recommend friends, match-making buyers applications etc. through WeChat channel too. Those activities are welcomed and well received by the audiences.

WeChat has become the main channel to deliver the news of the exhibition and the industry. The organizer uses its WeChat official account to deliver updates of the exhibition and visit guide to relevant audiences. WeChat has become an important window for the visitors and exhibitors to obtain updates of the show. Visitors can make their pre-registration, book online events for instance, match-making, group visit etc. through WeChat.
